Dear Industry Partner,

On behalf of the OARSI Board of Directors, I am delighted to invite you to join the OARSI World Congress on Osteoarthritis to be held April 18-21, 2024 in Vienna, Austria.

We are excited to share our [2024 World Congress](https://congress.oarsi.org) website (congress.oarsi.org), and [Sponsorship Prospectus](#) with you and your colleagues. We hope you will make plans to participate in our congress.

Our 2024 Program Committee is working to provide our roughly 1,200+ expected global attendees with an exemplary line-up of educational content.

Whether you choose to *Exhibit*, host a *Satellite Session*, sponsor an *Award*, support the *Early Career Investigators* or *Clinical Trials Symposium*, we wish your participation and partnership with us to be successful!

Whatever you choose to participate with, OARSI is appreciative of your support and welcomes the opportunity to collaborate and partner with you in 2024. Please feel free to reach out to Dana Groves, Industry Relations Manager, at [dgroves@oarsi.org](mailto:dgroves@oarsi.org) or 1.856.642.4434 if you have any questions.

Thank you for your consideration.

See you in Vienna!

Warm regards,

Gun-il Im, MD, PhD  
OARSI President
